The District recognizes the Union as the sole and exclusive bargaining representative of its employees listed in Appendix A, including Emergency Substitutes working in Regular Positions serving in any of the classifications listed in Appendix A.

B. Definitions

All personnel represented by the Union in the above-defined bargaining unit shall, unless otherwise indicated hereinafter be referred to as "employees".

C. Union Membership Dues or Agency Shop Service Fees and Dues Deduction

1. All employees covered by this Agreement or who become employees covered by this Agreement who are not already members of the Union or who are not already paying a service fee shall within forty (40) days of hire by the District, become members, or in the alternative, shall, within forty (40) days of their date of hire by the District, as a condition of employment, pay to the Union each scheduled full, bi-weekly pay period a service fee in an amount equal to the regular membership dues uniformly required of employees of the District who are members.

2. The District shall deduct from the pay of each employee from whom it receives authorization to do so the required amount for the payment of dues or service fees. Such dues, or fees, accompanied by a list of employees from whom they have been deducted and the amount deducted from each, and by a list of employees who had authorized such deductions and from whom no deductions were made and the reason therefore, shall be forwarded to the Union no later than thirty (30) days after the deductions were made.

3. An employee who shall tender or authorize the deduction of membership dues or service fees, uniformly required as a condition of acquiring or obtaining membership in the Union, shall be deemed to meet the conditions of this Article so long as the employee is not more than sixty (60) days in arrears of payment of such dues or fees.

4. The District shall be notified, in writing, by the Union of any employee who is sixty (60) days in arrears in payment of membership dues or fees.

5. 9. The District shall inform all new employees and employees returning from leave/resignation within thirty (30) days of hire or return of their obligations under this section, provided that failure of the District to so inform shall not be a defense of any employee who has failed to comply with the provisions of this section.

Any permanent employee regularly employed on a continuing basis, but not on a fifty-two (52) week basis, shall be compensated at a prorated rate of pay. In the event an employee in this bargaining unit receives wages or other monies to which she/he is not entitled and which are payments or overpayment of such wages or monies, the District agrees it shall make arrangements for payment without unusual hardship to such employee. The employee must meet the School District of the City of Detroit Attendance Standard of 96%.

The employee will be notified prior to his/her ninth day of non-exempt absence.

2. A unit member shall be restored to his/her correct salary step upon the satisfaction of the following condition:

The employee is in compliance with the School District of the City of Detroit Attendance Standard for a period of 12 months.

3. The following shall not count as absences under the School District of the City of Detroit Attendance Standard for purposes of this sec-

tion: (1) absences which qualify as entitlements under either the Family and Medical Leave Act (FMLA) or Workers' Compensation; (2) death leave; (3) recognized religious holidays; (4) jury duty; (5) military service; (6) union release time; (7) police reserve time; (8) absences due to childhood diseases of chickenpox, measles, mumps, diphtheria, whooping cough, impetigo and conjunctivitis; and (9) two (2) emergency days as defined in Article XIX.B.3. 4. Disputes about absences arising from FMLA claims may be appealed to the District's medical or civil rights offices.

Disputes about absences arising from Workers' Compensation claims may be appealed to the District's Office of Risk Management.

All other disputes about absences may be appealed through the grievance process identified in the collective bargaining Agreement.

If a unit member is denied a salary step increase and based on some further determination it is found that the employee is not in violation of the School District of the City of Detroit Attendance Standard, then the employee will be made whole for any previous salary step increases which the employee was denied under this provision.

5. The annual step increase will be paid on whichever step increase date is closer to the date of the regular appointed position or promotion, January 1 or July 1 of every year.

D. Maximum Step Increases

1. For any unit member who is currently paid at the maximum rate of the salary schedule provided in this Agreement, the unit member's right to receive the pay adjustment for the next school year that has been negotiated between the parties shall be denied if the unit members fails to meet the attendance criteria according to the School District of the City of Detroit Attendance Standard of 96%.

The employee will be notified prior to his/her ninth day of non-exempt absence.

2. A unit member's right to receive the following year's pay adjustment negotiated between the parties shall be reinstated when the unit member is in compliance with the School District of the City of Detroit Attendance Standard for a period of 12 months.

3. The following shall not count as absences under the School District of the City of Detroit Attendance Standard for purposes of this section: (1) absences which qualify as entitlements under either the Family and Medical Leave Act (FMLA) or Workers' Compensation; (2) death leave; (3) recognized religious holidays; (4) jury duty; (5) military service; (6) union release time; (7) police reserve time; (8) absences due to childhood diseases of chickenpox, measles, mumps, diphtheria, whooping cough, impetigo and conjunctivitis; and (9) two (2) emergency days as defined in Article XIX.B.3. When a unit member's qualifying absence under the FMLA extends beyond the FMLA period, the additional absences shall not count as absences under the School District of the City of Detroit Attendance Standard.

4. Disputes about absences arising from FMLA claims may be appealed to the District's medical or civil rights offices.

Disputes about absences arising from Workers' Compensation claims may be appealed to the District's Office of Risk Management.

All other disputes about absences may be appealed through the grievance process identified in the collective bargaining Agreement.

If an employee is denied a salary rate increase and based on further determination it is found that the employee is not in violation of the School District of the City of Detroit Attendance Standard, then the employee will be made whole for any previous salary rate increases which the employee was denied under this provision.

E. Outside Experience

Applicants for Clerical Series, Level II positions, who meet the minimum requirements, shall be allowed credit on the salary schedule for up to eight (8) years outside job classification experience. No less than one full year of verified experience is creditable on this bargaining unit's salary schedule. Partial year or part-time service is not applicable.

F. Longevity

1. Beginning with the 1999-2000 school year, certain premium payments, heretofore added to employees base salary pay based on specific eligibility criteria (known as "add-ons"), will be paid in one lump sum to be paid after June 30 and before August 1 of that calendar year.

These "add-ons" will include the longevity allowances paid to eligible members of the Detroit Association of Educational Office Employees.

Lump sum payments for longevity allowances for thirty (30) years of service to be paid December 1999 will be paid as scheduled. Lump sum payments for unit members who are eligible for longevity allowances for thirty (30) years of service beginning July 1, 2000 are to be paid as part of the "lump sum" payments scheduled for July 1 to August 1 and thereafter.

2. When an employee transfers from another School District of the City of Detroit bargaining unit, via promotion or entry level assignment, into the Union's bargaining unit, he/she shall retain District years of service credits for longevity benefits.

3. In appreciation for services to the District, a late December bonus of one hundred fifty dollars (\$150) per year shall be paid annually by the District to all employees covered by this Agreement who have completed thirty (30) years of service as of July 1 of that year, and who were still on the payroll November 30 of the same year.

4. Beginning with the 1999 - 2000 school year all unit members whose primary assignment is housed in the Schools Center Building or Schools Center Annex shall receive a \$360 annual parking allowance.

The parking allowance will be paid no later than August 1 following 180 days of service in these buildings.

G. Computation Of Salaries Upon Return From Leave Of Absence Or Resignation

1. Members returning from leaves of absence within a year of the date of leave will be paid the salary the employee received at the time of the commencement of the leave plus any salary adjustments due to negotiated salary increases but not including any step increases for the leave period.

2. Members returning from leaves of absence following one or more years from the commencement of the leave will be paid a salary to be computed as follows:

- a. If the member had been employed in an entry level position prior to the original leave date, her/his salary upon return from leave will be the minimum of entry level plus one earned step increase for each year of prior service.
- b. Subject to Article XIX, Leave Policy, Section E, Return from Leave, if the member had been employed in a promoted position prior to the original leave date, her/his salary upon return from leave will be the salary she/he was receiving when she/he left plus any salary adjustments due to negotiated salary increases but will not include any step increases for the leave period.

3. Members returning after resignation will be compensated at the current minimum salary for the classification to which they are returned, as deemed appropriate by the District. Members shall be returned at the step level held prior to resignation but will not receive credit for step increases during their resignation. Longevity shall be included if applicable, but longevity credit shall not be granted during their resignation.

H. Wage Differential

Secretaries and other members of the bargaining unit who are requested by their administrator to work in a higher classification will be paid at the higher rate for such performance in accordance with Article XIV of this Agreement.

I. Evening School, Summer School, and Summer Special Projects Clerical Hourly Rates

1. Hourly rates for Evening School, Summer School, and Summer Special Projects will be increased as set forth in Article V.A.

2. Evening School clerical employees who are responsible for the direction of temporary additional clerical employees' service may be assigned an extra one-fourth (1/4) hour paid time as needed and recommended by the Evening School Principal.

3. Support Staff Personnel will announce summer employment positions and establish a two-week period during the spring semester for the receipt of applications.

J. Workshop Rates

Effective December 13, 1994, the rate for Workshop Secretary and/or DAEOE participant beyond the regular work day shall be at the regular overtime rate, e.g., time-and-one-half (1-1/2).

K. Mileage Allowance

For each school year, the mileage rate shall reflect the rate that is used by the IRS for tax purposes.

All unit members who are directed to use their own vehicles during regular working hours will qualify for mileage reimbursement.

L. Personal Property Loss

During the term of this Agreement, a fund in the amount of three thousand dollars (\$3,000) shall be established from which individual members may be reimbursed for approved claims in the amount not to exceed one hundred dollars (\$100) for personal property loss due to theft, burning, or willful malicious damage. Personal property is defined as anything normally worn or carried into the building by the employee but shall not include cash. The parties recognize and agree that a member has a moral obligation to reimburse the fund if the member also actually collects for the same loss from an insurance carrier.

Settlement for such loss claimed under this section shall be made during the quarter in which the loss is verified.

M. Upon Retirement – Payment Of Unused Sick Leave Days

1. Upon retirement with a retirement allowance, in accordance with the qualifications established by the Michigan Public School Employees' Retirement System School District of the City of Detroit, an employee will be paid an amount not to exceed one-half (1/2) her/his Sick Leave days, with a maximum allowance of thirty-five (35) days pay.

2. The estate of a unit member who dies during the term of this Agreement shall receive terminal pay calculated on the same basis as if she/he had retired.

N. Overtime Policy

1. Overtime is applicable upon the completion of seven and one-half (7-1/2) hours of work in a single day. Computation of overtime hourly rates shall be the bi-weekly rate X 1.33333 where applicable. Authorized hours worked prior to the beginning of the regular work day shall be counted in the computation of overtime hours in the same manner as hours worked at the end of the regular work day.

2. Overtime shall be compensated by one and one-half (1-1/2) the hours worked – either in monetary pay or compensatory time. Employees assigned to work Saturdays, Sundays and holidays shall be compensated by two (2) times the hours worked in monetary pay or compensatory time.

The mode of compensation must be mutually agreed upon in writing with copies on file at work location. An employee shall not be required to work overtime unless the mode of compensation has been mutually agreed upon. This language does not preclude the assignment of personnel from other offices to work in the office where the overtime is needed in the event mutual arrangements are not made within the particular office where the overtime is required. Administrators shall not abuse the requirement that employees work overtime.

3. Compensatory time shall be authorized by the employee's immediate administrative superior and shall be recorded in writing by the superior with copies on file at the work location. Compensatory time shall be used within three (3) months of the date of earning and while assigned to the unit where earned. If such accumulated compensatory time cannot be used during said period or is in excess of seventy-five (75) hours, then the Division Head or appropriate administrator shall authorize a salary equivalent in lieu of compensatory time.

4. Emergency Substitutes shall be assigned for the purpose of providing necessary clerical service as needed and particularly so that employees in the bargaining unit may use their compensatory time.

O. Use Of Vacation Days During Winter Break

Ten (10) month members with 13 plus years with sufficient days in their "prior vacation bank" shall have the option to use five (5) days from this bank to be paid for the winter break.

ARTICLE VI – FRINGES

1. Compensable (on the job) injuries: In case of a compensable injury, an employee may receive free medical, surgical, and/or hospital care at any one of the officially designated hospitals. (See list on page 12 at the end of this Section.) If the necessity of treatment does not appear until after the employee has left his/her place of employment, any of the designated hospitals may be used. Except where the service is furnished in an unusual emergency where minutes count, the District will not pay the fees of other hospitals or doctors, nor will it reimburse employees for fees paid to other hospitals or doctors; any such claims will be refused if the District finds that a designated hospital could have been used.

2. The District shall continue to provide the following insurance coverage for all members covered by this Agreement:

Once an employee opts out for a given year, the employee will not be able to receive the District's coverage until the next enrollment period, unless the employee loses his/her eligibility for the alternate coverage. If the employee returns to the District's coverage under the conditions just stated, the employee shall pay back, prorata, the said \$900 payment provided herein. The \$900 will be paid for each enrollment year that the employee elects to opt out under this provision.

Effective January 1, 1995, the opt out payment shall be increased from \$900 to \$1,200.

g. Effective January 1, 1995, all new hires will receive HMO or Blue Cross/Blue Shield PPO coverage for the first two (2) years of employment for health coverage.

4. **Optical Insurance:** The District agrees to provide full-family optical, effective January 1, 1987. Carrier/carriers will be selected by the District.

Members shall receive an optical exam once every twelve (12) months. On the off year, new lenses shall be provided, for unit members only, if there is a change of .5 diopter or more in prescription.
